

IOWA REFUGEE RISE AMERICORPS MEMBER SERVICE AGREEMENT

The following agreement has been developed for use by the RefugeeRISE AmeriCorps program and serves as an agreement between EMBARC, the host-site organization, and the AmeriCorps member.

I. PURPOSE

It is the purpose of this agreement to delineate the terms, conditions, and rules of membership regarding the participation of [REDACTED] (hereinafter the “member”) in the **RefugeeRISE AmeriCorps program** (hereinafter the “Program”) and his/her performing of service in cooperation with [REDACTED] (hereinafter referred to as the host-site organization). This agreement may be changed by written consent by both parties.

II. MINIMUM QUALIFICATIONS

The member certifies that he/she is a United States citizen, a national, or legal permanent resident and at least 17 years of age. The member understands that service is contingent on the results of a background check. The member has the right to challenge the factual accuracy of the information, if the background checks reveal information that would prevent selection into this program.

III. TERMS OF SERVICE

- A. The Member shall fulfill the obligations detailed in the position description for the duration of his/her term of service with the program.
- B. The Member’s term is from: _____ to _____. This term of service may be extended by the Program, at the Member’s written request for either of the following reasons:

- C. It is the member’s responsibility to communicate and work with the site supervisor and Program Director to complete this commitment within the agreement service period noted above. The Member understands, however, that eligibility for an additional term of service does not guarantee selection or placement. The Program will base the Member's eligibility for service on evaluations of the Member's performance, focusing on factors such as whether the Member has:
1. Completed the required number of hours
 2. Satisfactorily completed assignments, tasks, or projects
 3. Accomplished the requirements

Attachment B
RefugeeRISE AmeriCorps Program
Grievance Procedure

The purpose of this process is to resolve disputes involving interested individuals such as AmeriCorps members and applicants in a fair and expeditious manner. In general, disputes must pertain to service related issues such as a proposed service assignment; a mid-term or end-of-term evaluation; or a member's suspension or dismissal. A dispute also may concern an application protesting the reason he/she was not selected as an AmeriCorps member. All AmeriCorps members must file complaints in accordance with the following procedures set forth below. Nothing herein shall prohibit a complainant from filing a grievance with state, federal agencies, or bargaining units.

Informal Resolution

The member and program will resolve the matter informally whenever possible. If this cannot occur, the complainant may seek resolution through alternative means of informal Alternative Dispute Resolution (ADR), such as mediation or facilitation.

1. The opportunity for ADR must be initiated within 45 calendar days of the alleged occurrence.
2. At the initial session, the aggrieved must be informed in writing of his/her right to file a grievance and of their right to arbitration.
3. A neutral, third party must facilitate the proceedings, and function specifically to aid the parties in resolving the matter through a mutually achieved and acceptable written agreement. The neutral third party may not compel a resolution.
4. The proceedings must be informal, confidential, non-binding (unless both parties agree), and the rules of evidence do not apply.
5. If the matter is not resolved within 30 calendar days of initiation, the aggrieved must again be informed in writing of their right to file a formal grievance.
6. If the matter is resolved, and a written agreement is reached, the complainant will agree to forgo filing a grievance in the matter under consideration.

Filing a Formal Grievance

The person wishing to file a formal complaint or grievance regarding the program must submit a grievance form (see the AmeriCorps Grievance Form) and use the procedure explained below.

1. Except for complaints alleging fraud or other criminal activity, complaints must be filed in writing and to the program within one year of the date of the alleged occurrence.
2. The program will conduct a hearing no later than 30 calendar days after the filing of a formal grievance.
3. A decision on any such filed grievance will be made no later than 60 calendar days after the filing.
4. Complaints should include, to the best extent possible, the following information:
 - a. The full name, telephone number, and address of the person making the complaint.
 - b. The full name and address of the party against whom the complaint is made, or other information sufficient to identify the party against whom the complaint is made;
 - c. A clear and concise statement of the facts, as alleged, including pertinent dates, constituting the alleged violations;
 - d. The provision of the act, regulations, grant, contract or other agreements under the act believed to have been violated; and
 - e. The relief requested.
5. If ADR was used, the facilitator may not participate in the formal hearing.
6. No communication or proceeding from ADR may be referred to or used as evidence.

Filing an Appeal (Arbitration)

1. If there is an adverse decision against the party who filed the grievance or no decision has been reached after 60 calendar days of filing a grievance, the complainant may submit the grievance in binding arbitration before a qualified arbitration who is jointly selected and who is independent of the interested parties.
2. If the parties cannot agree on an arbitrator within 15 calendar days after receiving a request from one of the parties, the Corporation for National and Community Service will appoint an arbitrator
3. An arbitration proceeding must be held no later than 45 calendar days after the request for arbitration. If the arbitrator is appointed by CNCS, the proceeding must occur no later than 30 days after the arbitrator’s appointment.
4. A decision of the arbitrator is final.
5. The cost of the arbitration proceedings must be divided equally between the parties to the arbitration, unless the party requesting the grievance proceeding prevails. If the aggrieved prevails, the program must pay the total cost of the proceedings and reasonable attorney fees of the prevailing party incurred in connection with the proceeding.
6. To enforce the arbitration award, a suit may be brought in any federal district court having jurisdiction over the parties without regard to the amount in controversy.

Suspension of Placement

If a grievance is filed regarding a proposed placement of a member, such placement must not be made unless the placement is consistent with the resolution of the grievance. Pending resolution of a grievance filed due to a member’s release from the program for cause, the member’s service is suspended.

Suspension of Service

Pending resolution of grievance filed due to release for cause, member’s service is suspended

Remedies

Remedies for a grievance under a procedure established by the program may include:

1. Prohibition of placement of a member, and
2. In grievance cases where there is a violation of non-duplication or non-displacement requirements and the employer of the displaced employee is the grantee:
 - a. Reinstatement of the employee to the position he or she held prior to the displacement; Payment of lost wages and benefits;
 - b. Re-establishment of other relevant terms, conditions and privileges of employment; and
 - c. Any other equitable relief that is necessary to correct any violation of the non-duplication or non-displacement requirements or to make the displaced employee whole.

The member understands that the Program has a grievance procedure, as outlined above, to resolve disputes concerning the member’s service assignment, service evaluation, suspension, or dismissal.
